TRIUMPHANT ENTRY

The Palm leaf in many countries and cultures is a symbol of victory, peace, and hope. Jesus entered Jerusalem and Palms were placed in his path. The entry of Jesus is a symbol of Hope for many. How has Jesus entered your life?

This Sunday, we will be treated by your youth (and some young at heart) as they read the passion narrative for us. The service has been pre-recorded, but will broadcast live at 10 a.m. on Sunday. We hope the voices and faces of our young people will bring you a smile!

You also are invited to worship with us this Holy Week on our FB Page

FROM THE PASTOR

“Hossana! Blessed is he who comes in the name of the Lord. Hossana in the highest!” Psalm 46:10

Jesus coming into Jerusalem was risky move for him. It would be like President Bush entering Bagdad after the initial attacks by U.S. Forces.

Yet, He still chose to come in to the city. He came despite the risks and political angst against Him. Why? Because Jesus is bigger than any worldly institution or the current political dynamics of anytime.

At the moment, I am still activated in response to the COVID-19 pandemic. As the days go by I witness many Marylanders continue to take the risk and go into Hospitals, nursing homes, patrol streets, and drive ambulances. Continue to hold them in prayer and find ways to support them that doesn't require you to leave home.

Unless you are a first responder or classified as “essential” I encourage you to “do no harm” by remaining at home and engaging in other means of ministry. There is a list of ministries you could do from home in order to support those who are out in the front.

If you would like to participate in worship there are opportunities for you to do that. Our entire youth group has put together this Sunday's worship. We just need to be a little creative in how we deliver the gospel.

Though we are unable to meet right now, I look forward to a time where we can gather and meet together. Oh, what a celebration that will be!
